

To Whom It May Concern,

Thank you for reading this in the interest of helping The Alpha Group of Delaware, Inc. I am a member of *Friends of the Alpha Group*, a fund-raising committee that supports improving services to adults with developmental disabilities. I am soliciting donations of items to be auctioned off at our “Tailgate Fund-Raiser” to earn money for The Alpha Group.

We are trying to raise enough to purchase a newer truck for the Alpha Office & Lawn Crew. (See below.) Our crew of young men (who are developmentally disabled) does landscaping, mowing and snow removal. They work hard and deserve good quality equipment.

The Alpha Group’s mission is: “Full integration and acceptance of individuals with developmental disabilities within society.” Alpha is the premier provider of vocational and adult day support services to the residents of Delaware County who have developmental disabilities. As a 501 (C) (3) not-for-profit agency, they strive diligently to sustain the mission, but also rely on funds raised by volunteers to help improve services to the community

Friends of the Alpha Group’s primary fundraising event is our annual silent auction dinner in the first week of October. We call it our “Tailgate Fund-Raiser,” and it includes delicious food, live music, raffles, and silent auctions, as well as facility tours, special guests, and other surprises.

You can help by donating to our silent auction packages. (See attached sheet.)

Thank you so much for contributing to the lives of people who are developmentally disabled.

Sincerely,

Connie Kerns
Friends of Alpha committee member
The Alpha Group of Delaware, Inc.

Help get the guys a new truck!

Sponsor Name: _____

Item(s) to be donated:

Retail Value: _____

When & how will we receive the goods or services you have generously offered us?
