**LEAN SIX SIGMA WHITE BELT COURSE
and Certification**

Wednesday, February 1, 2012

Delaware Job Network / Community Career Resource Center

4565 Columbus Pike

Delaware, OH 43015

Room 618

9:00 AM – 12:00 PM

Interested in understanding what all of the Six Sigma buzz is about? Would you like to discover 21st century skills to increase your effectiveness and help your employer increase quality, customer satisfaction and the bottom line?

Six Sigma may be the right solution. Our Lean Six Sigma Introductory White Belt Certification course is for those who want an overview of Six Sigma, Quality Process Management and Lean. In this 3-hour course, you will learn about Six Sigma, the methodology overview including DMAIC, and DFSS. You will get an introduction to the roles and responsibilities of Six Sigma leaders, the Lean Principles and come away with the basic tools to get your organization on track towards 99.9997% of excellence.
