January 30, 2012

FOR IMMEDIATE RELEASE:

The Chamber is pleased to announce an opportunity for candidates and spokespersons for issues on the ballot for March's Primary Election to address the public and Chamber members concerning their candidacy. We would like to invite and encourage you to attend this event.

Candidates' Night will be held on **Thursday, February 16** at the **Sunbury Town Hall** on the 3rd floor (Village Council chambers) **at 7:30 p.m.**, hosted by the Sunbury/Big Walnut Area Chamber of Commerce in partnership with the League of Women Voters, the Eastern Delaware County Republican Club and the Delaware County Democratic Party.

We will follow a format where all candidates in contested races, as well as speakers for or against ballot issues will be given three minutes (closely timed) to tell about themselves, their goals, and objectives. Candidates in uncontested races are also invited and encouraged to attend, and will be introduced, and hopefully, be available for one-on-one discussions after the formal meeting. No speaking time during the program will be afforded to unopposed candidates.

Campaign literature for the candidates may be available.

For additional information visit SunburyBigWalnutChamber.com or call 740-965-2860.

Our Candidates' Night will be a great opportunity for you to meet and greet the candidates who will be on the March 6 Primary Election ballot. Bring your family and friends.
